1. You are entering a new era.
You are establishing a new era.
You are becoming/have become a new era.
And what is a new era? An era that establishes me/my kingdom where/and all authority and dominion and rule of not me is dis-established and placed under my feet, your feet, our feet; the feet of one (1). I am him, you are him, and all one'd are him and who is him but the surrendered ones? I love you. I love you and I give you me.

2. Thou art entering a new era and I you and you me and we one all who will/let us. And all the world waits for my coming. And who are you/is you? Me. I love you.

3. I give you the new era, period, dispensation, time slice not but yea period of Babylon falling/demising and cataclysmic imploding not, but disappearing. It isn't, and now it isn't at all. It never was, but illusion reigned in darkness perpetuating its ruledom and cataclysmic darkening.

4. And who rules energy but me, or do I rule at all? Or do I simply surrender who I am to all to/for all to be who I am? I love you. I give you me.

5. You have all things in me. You are all things in me. I am thee and you are me and in one is one, and one is one, and there is no other separate from the/I one, us in each other being the same. Is that clear? I love you. I give you me.

6. Thou hast all things in thou heart not, for there is no guile, only honor of one and only. One and only one ones now the one and only. See me. Forget not thy origin, or was there one? And who was your father, me, or thee? Or were you the father/father? And how could you have forgotten/displaced your mind/DNA that only is me? Am I not my mind yours? And where else would I reside, abode?

7. I love my body. I love you. I am you. You are I Am. We are one and the same and how carefully cared for John 17 is/becomes. I love you every one.

8. Into airports large and small you see and land not but replacing jet service not, travel the ancients and minds see of only me and who caters not but dispels all darkness and show the light of light to lit Ted. I love you. I give you me.

9. Who can see the technological marvels of me/my heart?

And where do I Am reside?
And wherefore now the miracles come forth at thy hand, not; mine, not; fathers. Yes and amen.
I of myself can do nothing.
I see/am all in all in father.
I love you.
Me.

10. I am not an airport, airframe, or airpod; I am the most high I Am and my name is mighty surrenderer. I bow before my subjects not but having no subjects, excepts of my fury not, but of my fond-deep-love, I bow before all, for I have placed my all in all, and all can become/see, all in all.
I love you all.
I love you.

Me
